## Hartford public schools calendar 2016-17

The West Hartford school will begin on the Wednesday before Labor Day for the 2016-17 academic year. By Ronni Newton Loading... The West Hartford Board of Education voted on 17 March on one of the two proposed calendar options for the 2016-17 school year. Under the selected option, the school will begin for students on Wednesday, August 31, 2016. The last day of school, without snow or other days of makeup, will be Monday, October 12th. As in past years, students will not go to school on Election Day, but will have classes on Veterans Day. The February recess will last two days, a long weekend that includes Presidents Day. A week's holiday is scheduled from April 10-14, which includes Good Friday which is April 14, 2017. The alternative option had its first day of school on Monday, August 29, 2016, and the last day of school as Thursday, June 8, 2017. Both options were in line with CREC's recommendations on a single regional calendar. The 2014-2015 school year is currently scheduled to end on Tuesday, October 16. This date takes into account four snow days this season. The high school graduation date will be announced on January 1st. A long February weekend and a week-long break are scheduled for April, and school will end on Wednesday, June 8, 2016, if there are no snow days or other unforeseen closures.
